Dear Boat Owner

Please find attached a Brokerage Listing Agreement Form for you to complete as fully as possible, please then return it to us, along with any photographs, magazine articles, boat tests and an original brochure, if possible! The more information we have, the better we can market your boat.

BEFORE WE CAN LIST YOUR BOAT WE HAVE TO SEE PROOF THAT YOU OWN IT, THEREFORE WE REQUIRE A COPY OF THE ORIGINAL TITLE PAPERWORK RELEVANT TO THE BOAT. SUCH AS THE BILL OF SALE FROM PREVIOUS OWNER TO YOU, AND BILLS OF SALE, BETWEEN ANY EARLIER OWNERS. WE ALSO NEED TO SEE INVOICE SHOWING YOUR PURCHASE OF THE BOAT. AND IF POSSIBLE ORIGINAL NEW BOAT INVOICE SHOWING THAT VAT HAS BEEN PAID (FOR BOATS 1985 ONWARDS) PLUS BUIDER'S CERTIFICATE, & ANY CERTIFICATE OF CONFORMITY TO E.U.

We can then prepare a custom Specification Sheet for your yacht and e mail, or post it to you for checking. On your approval of the details, we will finalise the Specification Sheet, build a web page for the Boat and enter her into our extensive advertising schedule. Please look at our website www.maiden-marine.co.uk to see the brokerage listings we have already.

We advertise all our craft using Yachtworld.com, the World's largest online listing of boats for sale. Through this website we promote your craft with highly detailed Specification Sheets with full colour photographs and Enhanced Listings, to make her stand out from the crowd! We promote your boat to a Worldwide audience, so that we find a suitable buyer. Check out www.yachtworld.com and choose UK pages, to see how the site works.

To cover our administration and advertising costs, we have to levy a £100.00 deposit charge, when you place your craft on brokerage. In the event that you withdraw the boat from us for whatever reason, i.e. you sell the craft privately, then this deposit will be forfeit. However on completion of a successful sale through our Brokerage Service, we will of course reduce the commission fees we charge by £100.00. Full details of the Commission Rates are shown on the back page of the Brokerage Listing Agreement Form.

In our experience, when it comes to viewing boats, first impressions really do count. To this end, boats that are stored in our secure compound at Burneside, or that are being used infrequently on the Lake, will require regular cleaning, in order to keep them in "sellable" condition. If it is not possible for you to regularly clean your boat, let us know or continue to use another party such as Lakeland Valeting. Please do not hesitate to call, if you need anything clarifying on the form.

We look forward to selling your boat for you & helping you to find the next one!

Chris, Karen, Jim & all the Team at Maiden Marine Ltd
